Dear Ms. Della Rocco:

This letter responds to your Request for Additional Information (RAI) dated July 23, 2012 asking for clarification regarding an April 11, 2012 contribution to Schneider for Congress. The contribution was reported incorrectly as a designation to the Primary 2012 election. The correct designation was to Primary Debt 2012. Amalgamated Transit Union COPE will amend the May Monthly report to reflect this correction.

If you have further questions, please feel free to contact me.

Sincerely,

Lawrence Hanley  
Treasurer
